

Not sure I'm in the right bathroom?

I'm not sure you are, either, but I'm not going to ask you about it.

Gender isn't as simple as men's room/women's room. Let transgender folk pee in the restrooms we feel safest in. **Seventy percent of respondents in a DC Trans Coalition survey reported being harassed or assaulted in gender-segregated bathrooms.**

Help make bathrooms safe for everyone and stop trans harassment. Let people use the restroom in peace, and speak up if you witness harassment.
